Summary:

Detail-oriented Data Analyst with 2 years of experience at WNS and IGT Solutions. Expert in data cleaning, standardization, visualization, and reporting insights. Proficient in Python, SQL, Power BI. Adept at analyzing complex datasets to provide actionable business insights. Seeking to leverage my analytical and technical skills to contribute to a dynamic team and drive business growth.

Professional Experience:

WNS, Data Analyst, Pune, Nov 2023- Feb 2025

- Cleaned and standardized large datasets to ensure accuracy and consistency.
- Developed insightful data visualizations using Power BI, facilitating data-driven decision-making.
- Collaborated with cross-functional teams to gather and understand data requirements.
- Generated comprehensive reports to communicate findings and recommendations.
- Utilized Python and SQL to automate data extraction and processing tasks.

IGT Solutions, Junior Data Analyst, Pune, June 2022 – Nov 2023

Conducted data analysis to identify trends and patterns, supporting strategic initiatives.

- Created detailed dashboards and reports using Power BI for senior management review.
 - Implemented data cleaning and standardization processes to improve data quality.
 - Provided actionable insights based on thorough data analysis and interpretation.
 - Employed SQL for data exploration and analysis tasks.
-

Education:

Bachelor in Commerce (B.com): Savitribai Phule Pune University - Saint Vincent College 2023.

Technical Skills:

- **Programming Languages:** Python, SQL
 - **Data Visualization:** Power BI, Tableau
 - **Tools:** Jupyter Notebook, VS code, Anaconda
